

GO MOBILITY

I Basque
Sustainable Mobility
Industry Exhibition

F I C O B A

2018ko, Azaroak 27 – 28
FICOBA / San Sebastian Region, Spain

GO MOBILITY IS THE
SUSTAINABLE MOBILITY AND
ENERGY STORAGE INDUSTRY'S
PROFESSIONAL TRADESHOW IN
SOUTHERN EUROPE.

These sectors' most cutting-edge companies will be showcasing their products, solutions and services on November **27 and 28 at Ficoba (Irun)**.

At **Go Mobility** you can meet and directly interact with the European benchmark companies, technology centres, local authorities, training centres and start-ups. It's the place to find the most **innovative solutions** for your **sustainable mobility and energy storage** requirements.

Find out what the sector benchmark companies have to offer

Build new partnerships with suppliers and investors

Test drive the mobility vehicles of the future on site

Discover newly created enterprises in the Start-up area

Discover the latest advances in research

THEY WON'T MISS IT, WILL YOU?

"It's the right place to make business contacts"

Igor González
Managing Director of D-Bus

"Being at Go Mobility means being in the right place at the right time to talk about the future of electromobility"

Ainhoa Aizpuru
Delegate for Economic Promotion, the Rural Environment and Territorial Balance

"Go Mobility is an excellent opportunity to get first-hand knowledge of solutions that are already on the market"

Luz Pérez
Logistics Manager of Uvesco

Go Mobility provides two very important things: information, because lack of knowledge is one of the greatest barriers to the new mobility, but also the industrial, technological and service perspective that leads to products, innovation and training and employment.

Arturo Pérez de Lucía
Managing Director of Aedive

"Dundee, as one of the most advanced E-Mobility cities in Europe is constantly looking for new innovations and development partnerships in this sector and see this tradeshow as a fantastic opportunity to engage with leading industry businesses and organisations."

Fraser Crichton
Corporate Fleet Department
Dundee City Council
